— Introduction —

Interim Innovation Company Limited is a trusted provider of comprehensive business solutions designed to support and enhance your operations across multiple industries.

With years of experience and a commitment to quality, reliability, and customer satisfaction, we deliver tailored services that help businesses achieve operational excellence and sustainable growth.

Building Trust, Delivering Excellence Since 1997

Established in 1997, Interim Innovation Co. Ltd (IIC) has built a strong reputation as a trusted provider in the construction and infrastructure sector, proudly serving the Eastern Province and beyond. With a legacy of reliability and performance, we deliver a comprehensive range of services tailored to meet the needs of both commercial and residential clients.

Our expertise includes the construction of state-of-the-art buildings, civil construction and maintenance, electrical and instrumentation, as well as developing customized infrastructure solutions such as the Electrical and instrumentation, mechanical activity and installation piping and fabrication activities.

In addition to construction, we offer manpower supply services, providing skilled, semi-skilled, and unskilled personnel to support a wide range of operational needs. Our equipment rental division ensures clients have access to well-maintained, high-performance machinery and tools, available on flexible terms to meet the demands of any project. Through our industrial services, we provide maintenance, plant shutdown assistance, and on-site technical expertise.

We also operate a dedicated trading division, sourcing and supplying industrial goods, construction materials, and consumables from reputable local and international partners to ensure quality and reliability across all client operations. Moreover, IIC is known for its high-quality security infrastructure solutions, delivered in full compliance with industry safety standards.

At IIC, we take pride in our unwavering commitment to excellence, innovation, and client satisfaction. Through meticulous planning and flawless execution, we consistently exceed expectations while contributing meaningfully to the growth and development of the region's infrastructure.

As our company has grown, so has our service portfolio. Today, IIC offers a comprehensive suite of integrated solutions that support the full lifecycle of industrial and infrastructure projects:

- Our Manpower Services provide skilled, semi-skilled, and unskilled personnel, helping clients maintain productivity with flexible, reliable staffing.
- Our Equipment Rental division offers a wide range of well-maintained, safety-checked machinery and tools—available when and where you need them.
- Through our Industrial Services, we support plant operations with maintenance, shutdown assistance, cleaning, and on-site technical expertise.
- Our Trading Services connect clients with high-quality materials and industrial products sourced from trusted local and global suppliers.

Empowering Projects Through Innovation, Precision, and Trust

Interim Innovation Company Limited (IIC) is a trusted name in construction and infrastructure development, proudly serving the Eastern Province and beyond. We deliver a comprehensive range of services tailored to the diverse needs of both commercial and residential sectors, with a steadfast commitment to quality, reliability, and client satisfaction.

What We Do

At IIC Ltd, we offer a broad spectrum of services designed to support complex and high-impact projects, including:

- Commercial & Residential Construction
- Preventive Maintenance for Industrial Facilities
- Earthworks & Asphalting
- Custom Infrastructure Projects
- (e.g., duct-bank manholes, hand holes, access roads)
- Security Installations
- (fencing systems, security poles, hydraulic/manual bollards)

Support Services

Beyond construction, IIC provides essential support services to enhance operational efficiency for clients across various industries:

- Manpower Supply
- Skilled and semi-skilled personnel for construction, industrial, and maintenance projects.
- Equipment Rental
- A wide range of well-maintained construction and industrial machinery available for short- and long-term rental.
- Trading Services
- Procurement and supply of construction materials, industrial tools, and related equipment, ensuring timely delivery and quality assurance.

Why Choose IIC?

At Interim Innovation Co. Ltd, we are driven by a commitment to:

- Innovation – Leveraging modern methods and smart solutions
- Excellence – Upholding the highest standards in every task
- Reliability – Delivering consistent results you can count on
- Client Focus – Providing tailored solutions to meet every unique need

Our proven track record, experienced team, and customer-first approach make IIC a dependable partner in shaping infrastructure and enabling progress across the region.

— Our Mission and Vision —

To empower businesses by providing high-quality, reliable services and solutions that drive efficiency, productivity, and success—while fostering long-term partnerships based on trust and integrity.

Mission: Delivering Excellence Through Integrity and Innovation

At IIC Ltd, our mission is to set new standards of excellence in construction, infrastructure, and support services by consistently delivering reliable, high-quality solutions that meet the evolving needs of our customers and communities. We strive to outperform our competitors not just through superior results, but by fostering trust, accountability, and long-term partnerships.

We are committed to conducting our business with integrity and professionalism in everything we do. Our customers are at the heart of our operations, and we aim to exceed their expectations by being responsive, innovative, and attentive to every detail. We believe that sustainable success is built on mutual respect, and we extend that principle to all our stakeholders—including our employees, suppliers, and strategic partners—treating each with fairness, transparency, and the consideration we expect for ourselves.

Through continuous improvement, ethical leadership, and a strong sense of social responsibility, we aim to contribute meaningfully to the development of our region while empowering our team members to grow and thrive. Together, we are building not just structures, but trust, opportunity, and a better future for all.

Vision: Shaping a Sustainable Future Built on Trust and Performance

To be a leading service provider recognized for innovation, excellence, and commitment to delivering value in manpower, equipment, industrial, and trading services across the region.

— Our Services —

To empower businesses by providing high-quality, reliable services and solutions that drive efficiency, productivity, and success—while fostering long-term partnerships based on trust and integrity.

Industrial Services

Our Industrial Services are designed to support the operational efficiency and safety of manufacturing and processing facilities. We offer a comprehensive range of solutions including maintenance support, plant shutdown assistance, equipment cleaning, and on-site technical services.

Trading Services

Our Trading Services connect businesses with high-quality products and materials sourced from trusted local and international suppliers. We specialize in the procurement and supply of industrial goods, equipment, and consumables across various sectors.

Manpower Services

We provide reliable manpower solutions with skilled and semi-skilled personnel tailored to your business needs. From recruitment to deployment, our services help you maintain productivity with minimal hassle.

Equipment Rental

Our Equipment Rental services offer a wide range of high-quality tools and machinery to support your projects without the burden of ownership. From construction equipment to specialized industrial tools, we ensure that all rentals are well-maintained, safety-checked, and delivered on time.

Backfilling Materials

We provide a wide range of backfilling materials including dunes, sweet sand, thermal sand, marl/marlstone, sub-base, base course aggregates, various gravels, and rip-rap/rock armor for all your construction and landscaping needs.

Industrial Services

Our Industrial Services are designed to support the operational efficiency and safety of manufacturing and processing facilities. We offer a comprehensive range of solutions including maintenance support, plant shutdown assistance, equipment cleaning, and on-site technical services.

Enhancing Operational Efficiency and Safety in Industrial Environments

At IIC Ltd, our Industrial Services are built to support the performance, safety, and continuity of operations across manufacturing, processing, and industrial facilities. We understand the critical importance of minimizing downtime and maintaining safe, efficient workflows—and our services are designed to do just that.

We provide a comprehensive range of technical and support solutions tailored to meet the demands of high-performance industrial operations, whether during routine activity or critical plant shutdowns.

Our Core Offerings Include:

- Preventive and Corrective Maintenance Support
- Plant Shutdown and Turnaround Services
- Industrial Equipment Cleaning and Decontamination
- On-Site Technical Support and Skilled Manpower
- Inspection, Monitoring, and Minor Repair Services
- Civil construction & maintenance, Electrical and instrumentation, mechanical activity and installation piping and fabrication activities

Why Choose IIC for Industrial Services?

- Experienced Teams – Skilled professionals familiar with complex industrial environments.
- Customized Solutions – Tailored to your facility's specific processes and safety standards.
- Rapid Response – Quick deployment to reduce operational downtime.
- Safety-First Approach – Adherence to strict industry regulations and best practices.
- End-to-End Support – From planning to execution and reporting.

Whether you need routine support, emergency response, or full-scale shutdown assistance, IIC is your trusted partner for safe, efficient, and effective industrial service delivery.

Keep your operations running smoothly—with IIC Ltd by your side.

Trading Services

Our Trading Services connect businesses with high-quality products and materials sourced from trusted local and international suppliers. We specialize in the procurement and supply of industrial goods, equipment, and consumables across various sectors.

Supplying Quality Products and Materials to Power Your Operations

At IIC Ltd, our Trading Services are designed to connect businesses with high-quality products, equipment, and materials sourced from reliable local and international suppliers. We specialize in the procurement and supply of industrial goods, ensuring that our clients receive the right products—on time and within budget—to keep their operations running efficiently.

With a strong network of vetted manufacturers and distributors, we support a wide range of sectors including construction, infrastructure, energy, and manufacturing.

Our Trading Capabilities Include:

- Industrial Equipment & Machinery
- Construction Materials & Consumables
- Mechanical, Electrical & Plumbing (MEP) Supplies
- Safety Gear, Tools & Site Essentials
- Custom Sourcing Based on Project Requirements

Why Choose IIC for Trading Services?

- Quality Assurance – We source only from trusted and certified suppliers.
- Wide Product Range – From heavy equipment to daily-use consumables.
- Efficient Logistics – Fast and reliable delivery to your site or facility.
- Tailored Procurement – Solutions based on your sector and specifications.
- Competitive Pricing – Cost-effective sourcing without compromising quality.

Whether you're setting up a new site, managing ongoing operations, or responding to urgent needs, IIC Ltd is your dependable partner for streamlined, reliable, and quality-driven procurement services.

Let us handle the sourcing—so you can focus on building, producing, and delivering.

Manpower Services

Our Manpower Services provide businesses with skilled, semi-skilled, and unskilled personnel tailored to their specific operational needs. Whether for short-term projects or long-term staffing solutions, we ensure a reliable, efficient, and thoroughly vetted workforce to help you maintain productivity and meet deadlines with confidence.

Reliable Workforce Solutions for Every Business Need

At IIC Ltd, we understand that the strength of any operation lies in its people. Our Manpower Services are designed to provide businesses with access to a dependable pool of skilled, semi-skilled, and unskilled personnel—tailored to meet the specific demands of your industry and operations.

Whether you're managing a short-term project, scaling up for a seasonal workload, or seeking long-term staffing solutions, we deliver a workforce that is not only experienced and well-vetted but also committed to maintaining your standards of safety, quality, and productivity.

What We Offer:

- Skilled labor for technical and trade-specific tasks
- Semi-skilled workers for general operations and support
- Unskilled labor for basic tasks and site readiness
- Temporary or permanent placement options
- On-site workforce supervision and coordination (optional)

Why Choose IIC Manpower Services?

- Thorough Screening & Vetting – Every worker is assessed to match job requirements.
- Operational Flexibility – Scale your workforce quickly and efficiently.
- Compliance & Safety Focused – All workers adhere to labor regulations and safety protocols.
- Time-Saving & Cost-Effective – Reduce hiring time and overhead with our streamlined staffing process.

We serve a wide range of industries including construction, infrastructure, maintenance, logistics, and industrial operations. Our goal is to help you meet deadlines, control costs, and maintain high performance—without compromising on quality.

Partner with IIC Ltd for manpower solutions that work as hard as you do.

Equipment Rental

Our Equipment Rental services offer a wide range of high-quality tools and machinery to support your projects without the burden of ownership. From construction equipment to specialized industrial tools, we ensure that all rentals are well-maintained, safety-checked, and delivered on time.

Reliable, Well-Maintained Equipment—Ready When You Are

At IIC Ltd, our Equipment Rental Services are designed to give your projects the tools they need—without the long-term costs of ownership. We offer a comprehensive range of high-quality, well-maintained equipment to support construction, industrial, and infrastructure operations of any scale.

From heavy machinery to specialized tools, every piece of equipment in our fleet is regularly serviced, safety-inspected, and project-ready, ensuring performance, compliance, and peace of mind.

What We Offer:

- Earthmoving equipment (excavators, bulldozers, loaders, dump truck)
- Lifting and access equipment (cranes, forklifts, boom lifts)
- Power and lighting solutions (generators, light towers)
- Construction tools (mixers, compactors, cutting tools)
- Site support (water tankers, air compressors, welding sets)

Why Rent from IIC?

- Well-Maintained Fleet – Every item is safety-checked and performance-tested.
- Flexible Rental Terms – Daily, weekly, or long-term options to fit your project needs.
- On-Time Delivery – Equipment delivered where and when you need it.
- Cost Efficiency – Reduce capital expenses while maintaining productivity.
- Expert Support – Technical assistance and operator services available upon request.

Whether you're tackling a short-term job or managing a large-scale operation, IIC provides the tools you need to get the job done—safely, efficiently, and on budget. Partner with IIC Ltd for equipment rental services you can count on.

Backfilling Materials

We provide a wide range of backfilling materials including dunes, sweet sand, thermal sand, marl/marlstone, sub-base, base course aggregates, various gravels, and rip-rap/rock armor for all your construction and landscaping needs.

Supplying Quality Backfilling Materials to Support Your Projects

At IIC Ltd, our Backfilling Material Services are focused on delivering high-quality, construction-grade materials to meet the demands of your infrastructure and landscaping projects. We provide a wide range of backfilling materials—including dunes, sweet sand, thermal sand, marl/marlstone, sub-base, base course aggregates, various gravels, and rip-rap/rock armor—sourced from trusted local and regional suppliers. Our supply capabilities are built around reliability, consistency, and tailored service, ensuring that your projects stay on track with the right materials, delivered on time and to specification.

Our Backfilling Material Offerings Include:

- Dune Sand & Sweet Sand
- Thermal Sand for Utility Applications
- Marl / Marlstone
- Sub-base & Base Course Aggregates
- Assorted Construction Gravels
- Rip-rap / Rock Armor for Erosion Control

Why Choose IIC for Backfilling Materials?

- Reliable Quality – Sourced from certified quarries and screened to meet engineering standards.
- Comprehensive Range – Suitable for roads, foundations, pipe bedding, and shoreline protection.
- Timely Delivery – Efficient logistics to supply sites across various locations.
- Custom Quantities – Bulk or tailored supply based on project scale.
- Cost Efficiency – Competitive pricing without compromising material integrity.

From large-scale infrastructure projects to specialized landscaping work, IIC Ltd is your trusted partner for dependable, high-quality backfilling material solutions. Let us handle the material supply—so you can focus on building stronger, safer foundations.

Saudi Aramco E-Reference No. 0012360

Registration Approval Letter

February 18, 2025

Attention : INTERIM INNOVATION COMPANY LIMITED.

CR Number : 2055157595
Supplier Type: Service Provider Only
Country : Saudi Arabia

We are pleased to inform you that INTERIM INNOVATION COMPANY LIMITED, is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10114595, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-6950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (SCOMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

Saudi Electricity Company

VENDOR NO- 2013329

Registration with Saudi Electricity Company.

Congratulations! Saudi Electricity Company has approved your supplier registration. INTERIM INNOVATION COMPANY LIMITED, has now been included in the supplier database of Saudi Electricity Company.

You will be notified when next steps of the supplier onboarding process require your attention.
